### How did it get to Friday again so soon?

This week, Year 6 have completed their Bikeability training. This has made them feel much more confident when riding their bikes, especially when it comes to using public roads—we have a very safe bunch!

We have also had the next stages of our 'Poetry Slam', finding out who the winner is in each of the phases. Next we will be having a whole school winner determined and Mr Tighe and myself are very much looking forward to judging it. It is clear that the children have spent lots of time working on their poetry skills (Writing and performing!).

It was lovely to meet the new parents whose children will be joining us in September in reception—photos on page 3.

This week our new prospectus has gone live on our website. To take a look at it, follow the link on the 3rd page of this newsletter. It is absolutely lovely! Looking at the pictures just reminded me of how amazing all the children are at Ebor Gardens! Don't forget that class photos are next Friday! Have a nice weekend!

## Curriculum Highlights this half-term.....

This *busy* final half term sees many exciting things going on! As well as all the exciting Maths and English this half term, we will all be investigating Living Things and their Habitats in Science. We will also be enjoying an RE week—with special visitors! In Geography we will be learning about our local area and in PR we will be preparing for Sports Days. All this inspiring learning and exciting trips and visitors for each different phase means that we will have an action-packed last half-term!

We can't wait to find out and will, of course, share that information with you in due course.
