A message from Mr Spink

We have finally made it to the half-term holidays! It truly has been an action packed first half of the Summer term.

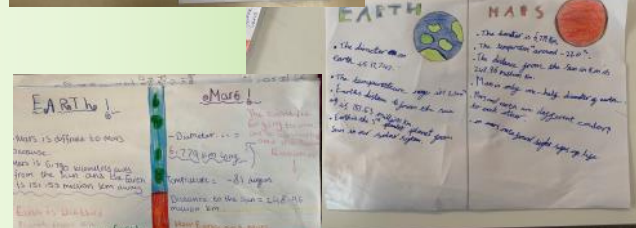

It has been a pleasure to share with you the many photographs of learning this half term—giving you a flavour of how much goes on in school each and every day. This week we were particularly impressed with the Moving Monsters in Year 3, so enjoy those photographs (page 3)!

Do remember to keep an eye on our social media pages, as we share pictures on there too! Thank you for your support on our social media pages too. There have been some lovely, positive comments!

Please remember, school closes today for one week. We will all be returning on **Monday 7th June**. Have a lovely break and we look forward to seeing you soon!

Curriculum Highlights this half-term.....

As well as all the exciting English and Maths skills we will be learning and applying this half term, we will also see Design Technology projects-galore with KS1 designing pop-up cards, LKS2 designing 'Moving monsters' and UKS2 investigating 'Moving Mechanisms'. Exciting Summer games will make up our PE sessions, including cricket and rounders. Look out for the newsletter for your child's year group to get a full picture of what is to come!

Year 6 'Bikeability'

When we return from the half-term holiday, Year 6 will be taking part in "Bikeability". They will learn how to ride a bike safely and understand how to ride a bike on public highways and on the main roads. The people who carry-out Bikeability training provide bikes and helmets for any children who do not have their own bikes and helmets. The children can safely store their own bikes in our locked bike shed. See the separate letter for further information.
