# NURSERY PLACES AVAILABLE

EBOR GARDENS  
Primary Academy

We are looking for families who are interested in applying for the 30-hour childcare eligibility within our nursery setting at Ebor Gardens Primary Academy. Our families are important to us and we are looking to support our community the best we can, as we have your best interest at heart.

We are passionate to support and help our parents with the application to see if your child qualifies for 30-hour childcare. So why not come and speak to Mr. Owens who can help with the application.

We can work together and see if you are able to extend their learning opportunities. Let us guide the new generation and allow them to become effective and independent learners!
