A Blanket of Snow!

Dear all,

Although snow had been forecast for Leeds, we didn't think there would be quite so much! A HUGE thank you to the families that came to pick up their children yesterday with such short notice, in such terrible weather. It is always a difficult decision to close school but with further cold temperatures and ice forecast, we were left with no choice but to remain closed today to keep everyone safe. Thankfully, we now have a brilliant online learning provision (Google Classroom) which means that learning doesn't need to stop despite the blanket of snow we find ourselves looking out upon.

Please remember to keep your eye on our Facebook and Twitter pages for any updates regarding the weather, but hopefully we will be able to open the school to our bubble groups again on Monday. If you haven't visited our pages yet, you can find the information on the second page of this newsletter.

Stay safe everyone!

Google Classroom

Lots of the learning provided is now being hosted on Google Classroom. If you are currently isolating or in a lockdown situation, please ensure you contact your teacher if you are unable to log on. Daily activities and Live Sessions are being uploaded to ensure quality education whichever setting you may be in.

Free School Meals

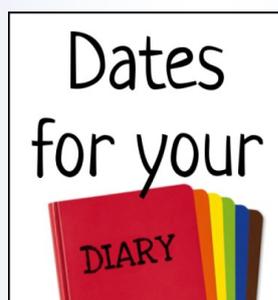

Those who are eligible for FSM should have received vouchers from Wonde this week. Moving forward, vouchers will be issued via the government scheme. Please keep an eye on your e-mail inbox for further information.

If you have any difficulties with the vouchers please contact our admin team (admin@eborgardensacademy.co.uk).

COVID-19

We would like to remind all parents/carers that all adults are asked to wear a mask when entering the school site—this includes areas where you may be waiting to collect your children. This is for everyone's safety and is playing a key part in keeping the spread of the virus as low as possible in our school community.
