WEEKLY NEWS

RED NOSE DAY

Friday 19th March 2012

Dear all,

Well..... we are well and truly back in the swing of things here at Ebor Gardens this week. While we are still being safe and following our Covid risk assessments, it almost feels like things are back to normal; corridors of laughter, happy conversations, smiling children (and staff) and the general 'buzz' that we all love!

As ever, lots of exciting learning has been going on throughout the week, which has been topped off with an exciting Spanish themed Red Nose Day—planned by our creative Spanish leader, Miss Iredale. Enjoy the pictures of this week's learning in the photo gallery below and make sure that you have yourself a lovely weekend—here's hoping there is a little more sun to perhaps enjoy!

News and Events this half term.....

Chromebooks and Reading Books return...

A big thank you to those families who have returned borrowed equipment. Can we please ask you to return the school equipment that you have borrowed as your children will need it to continue to their learning in school. We have loaned out lots of Chromebooks since December and ask that you return them with cases and chargers. We have also loaned many copies of books, which we would also like returning to school in your

Nursery Places

We still have places available in our Nursery. Give us a call on 0113 2482750 to apply for one of the places.

Red Nose Day

What a delight it has been today to celebrate Red Nose Day in a Spanish style! Lots of children (and staff!) were dressed in red and yellow clothing and thoroughly enjoyed the Spanish music lessons. The tasty churros looked like an enjoyable part of the day too!

RED NOSE DAY

Curriculum Information

We have an RE day, Science week and a Geography week coming up this half term too! We're going to be busy!

Skipping Challenge!

All the children have now been given a skipping rope. They will be able to use this skipping rope to perfect their skipping skills in order to take part in the "Skipping 100 Club", organised by Miss Pedder. Mrs Portier and Mr Spink have been taking great delight in counting the many skips lots of our children can do when on the playground. Apparently, "the more you skip the better you get". Excellent advice from Year 3!

Dates for your

INSET Dates

26th July 2021

27th July 2021

School closes for Summer on Friday 23rd July
