It's been another lovely week here at Ebor Gardens—lots of great learning is taking place within our walls!

This week we've been busily completing assessments. The children have worked hard to do their very best during the assessments and their results will help the teachers make sure that they reach their potential before the end of July. Next week is RE week in school, culminating in an RE day on Friday— I'm sure the children will tell you all about their learning.

The following week we have ACTUAL TRIPS to look forward to! It's going to almost feel like the good old days with children heading to different locations to enjoy some learning and fun! Sports days are swiftly heading our way too. They may look a bit different this year as there are still guidelines around numbers at school events, but we will make the most of it regardless.

"Big Talk", who are delivering our **Relationships curriculum** for us this year, are having a virtual meeting on **Wednesday 30th June at 6pm**. If you would like to know what the children will be learning, be sure to join us then!

Happy weekend everyone!
