It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

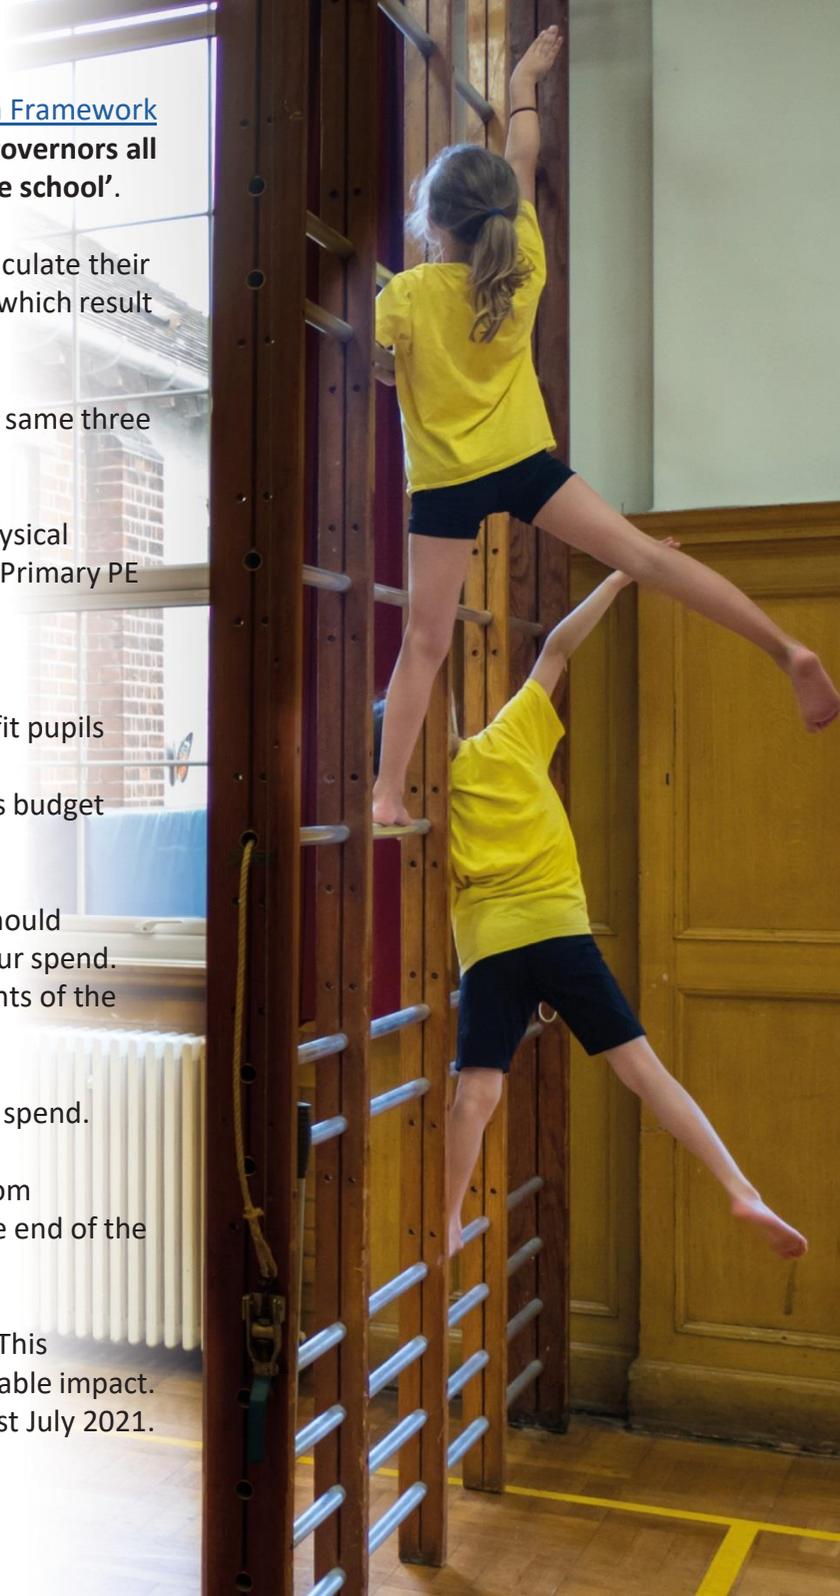

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2021** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

| Key achievements to date until July 2020:  | Areas for further improvement and baseline evidence of need:  |
|--|---|
| <ul style="list-style-type: none"> <li>• Improved capacity in staff trained in PE coaching and teaching, which resulted in confidence in teaching.</li> <li>• Sports Teams had started to be established which had resulted in children participating in competitive team sport.</li> <li>• Children had started to play matches against other schools.</li> <li>• New curriculum developed which will be started in September 2020 (with COVID amendments)</li> <li>• Increased number of extra-curricular clubs, presently suspended.</li> <li>• Lunchtime equipment purchased to increase physical activity.</li> <li>• School has become part of the Sports Network Group.</li> <li>• Y6 Forest School Days took part as part of transition in lockdown</li> </ul> | <p>COVID amendments to the curriculum have meant that we have needed to reduce hall time and PE is now happening outside. Due to this further activity needs to happen outside of the timetabled PE through planned active breaks and lunchtimes and physical challenges that enhance the curriculum.</p> <ul style="list-style-type: none"> <li>• PE equipment needs to be purchased to support the new curriculum.</li> <li>• Set up and facilitate the 1k a day to where all classes in all year groups are taking part.</li> <li>• Further development of Sport Leaders using the Sport's Coach to develop children's leaderships skills in Sport.</li> <li>• Encourage active travel through competition.</li> <li>• To run a Sports Award Evening / Assembly to create sporting successes that have happened at Ebor over the last year.</li> <li>• To use Dylan's wood to promote health, well-being and outdoor learning.</li> <li>• To support the re-establishment of matches and games between schools.</li> </ul> |
