A message from Mrs Wathen & Mr Spink.....

Well, our busy half-term has finally come to an end! Today we break up for our Easter holidays and do not return to school until **Tuesday 19th April 2022**.

As always, we have had a busy week. On Wednesday everyone had the chance to join our Easter Disco, throughout the afternoon. Lots of fun was had by all (including the teachers who had a dance-off with the UKS2 children. *We are still not sure who won!*)

Speaking of winners... after our Easter Raffle, Easter Sweet Bags and today's Skip-a-thon fund-raising events (*photos on Facebook*) we have raised - so far - **£1055.50**—that's totally amazing! If we include the amounts raised for Halloween and Christmas, we have raised, for our school fund, **£2818.39**. That will make a huge difference to how soon we can make our playground much better!

Have a lovely rest over the holidays.

Vaccinations for 5-11 year olds

The DfE has asked if the following information can be shared with parents and carers:

Children aged 5 to 11 years who are in a clinical risk group or who live with someone who is immunosuppressed can get the COVID-19 vaccine, in line with advice set out by the [Joint Committee on Vaccination and Immunisation \(JCVI\)](#). Eligible children include those with diabetes, immunosuppression, learning disabilities, and other conditions as outlined by the [UK Health Security Agency \(UKHSA\) in the Green Book](#).

Vaccinations help to increase protection against COVID-19, which is particularly important for those with underlying health conditions.

Further information is available in the [guide for parents of children aged 5 to 11 years](#) published by UKHSA. We have published some [frequently asked questions](#) on the vaccination programme including information on eligibility, accessibility and advice for parents of children at high risk from COVID-19.

Following [advice](#) from the JCVI, healthy 5 to 11 year old children will also be offered two 10 microgram doses of the COVID-19 vaccine. The NHS will prepare to extend this non-urgent offer to all children during April.
