A message from Mrs Wathen & Mr Spink.....

What a glorious week it has been! The weather has certainly been cheering us up in school. Please remember, when we have weather like this, to send your child to school with a water bottle so that they can keep hydrated. A hat is useful for protecting them from the sun. Also, you could apply sun protection cream at home before sending your child to school.

A particular highlight from this week is our Year 6 visit to Kingswood. They had an excellent time working together to solve problems and push their own limits. There are lots of photographs on our Facebook page, should you wish to see what a great day they had!

Today you will also have received (by e-mail) information regarding September and class allocations. This will tell you who your child's class teacher and teaching team will be from September. There is also information about the up-coming transition days—where the children spend three days in their new classrooms with their new teaching teams. If you have any questions, please contact the school office. Have a lovely weekend.
