WEEKLY NEWS

A message from Mrs Wathen & Mr Spink.....

Good afternoon everyone.

A slightly shorter Weekly News this week—the snow caught us off guard. We hope that you have managed to enjoy some time in the snow. As always, a huge thank you for your support—making the decision to close the school is never one we take lightly but in the interests of the safety of all of our Ebor Gardens community, we believe it was the right thing to do. Some of our staff travel quite a distance and the roads were treacherous!

A huge thank you to all the parents/carers who have joined Miss Thackeray and Mrs Heaton so far for our Community Hub Afternoon Teas and support with learning. Over twenty people have packed themselves into our Community Hub building and enjoyed a warm drink, cakes, biscuits, chatter and a little learning to help with how you support your child's learning. These sessions continue weekly throughout this half term and it is important that you share your ideas with us so that we can continue to support you in the best way possible at home. Those who attended also got a first glimpse of our Ebor Gardens Pantry—more information about this will follow in due course. We have also been busy arranging further support for our families and information is being sent out as we get it and as new opportunities arise. Enjoy the snow and stay safe. 😊
